

Join TTouch Guild Now-For Early Bird Special

January 4, 2012

To Practitioners & Practitioners-in-training:

This year you will notice a change to the way we send out information about the Guild. This is due to the practitioner Guild website which we started last year. For those of you unfamiliar with it here is the basic info on the site.

Practitioner Guild Website

Last year we made some major changes to the Guild and now each Guild member has a personalized information link on both the Canadian and U.S. websites through a special website dedicated to Practitioners and what they have to offer. It gives you a personalized page about the services you offer, your animal background along with photos. You control and can change the information any time and it will be a live link when anyone clicks your name on the websites. This website includes information about the benefits of using a Certified TTouch Practitioner and we can add more photos and practitioner case studies, it is all still linked to the Canadian and US Websites. Other than a few glitches last year, it seems to be working well and I have had feedback that it has raised the practitioner profiles.

Why join the Guild?

Being a Guild member entitles you to:

- Free subscription to TTEAM Connections
- Website listing with personalized information
- Discount on equipment (**only** practitioners who are current Guild members are eligible for discounts)
- Assist at horse or companion animal trainings - which count toward upgrading & updating (as long as you are current)
- Listing on the TTouch/TTEAM website (P-i-T's eligible after four trainings with completed case studies)
- Practitioner's workshops listings on the website
- Updated teaching materials from the internet.
- Referrals to people calling or writing the office
- Receive extra copies of TTEAM Connections to hand out to clients or at workshops

Who needs to respond?

Any practitioners or practitioners-in-training who wishes to be part of the TTouch Guild and take advantage of the benefits of being a Guild member.

There is often confusion about who needs to respond to this letter, if you have any questions please contact me (Robyn) at ttouch@shaw.ca or call 1-800 255-2336 8:00 a.m. - 6:00 p.m. PST - west coast time.

What about PiT's who have not graduated?

If you have attended 4 trainings; have fulfilled the case study requirement and are up-to-date in your payment schedule then your Guild Membership is included in your training. The January after you have graduated you will need to pay to remain in the Guild. You will need to respond to this email so you can add your own information to the Guild website.

Maintaining Status

To maintain your current status practitioners are asked to update every two years by attending ONE of the following:

- a) the 2009 Celebration in November
- b) a TTACTION/TTEAM training (minimum 5 days) - may do so by assisting if you are current

(if you are not current you may attend as a student for 1/2 the workshop price)

- c) by attending an Advanced Training or 3-Day Practitioner Update

We are offering 3-day Practitioner updates for TTACTION Practitioners. If you would like to organize one contact me.

If you haven't managed to update you will still be eligible to join the Guild. On the website we will list the year that the Practitioner graduated and when they last assisted or updated. That way people looking for a practitioner will know how current a practitioner is and those of you who are still actively using the work but have not been able to attend an update will still have the benefits of the Guild membership except for equipment discounts & you will be charged a fee if you are using assisting to update and it has been more than 3 years since your last update.

To take advantage of the Early Bird 40% discount you must respond by February 15th, 2012.

The following information will be sent to you if you are a renewing Guild member

Please return the form, or you can sign up on-line at www.ttouch.ca click on Practitioners and then click on **Make a Secure online payment**

When we receive your online payment we will send you a link, with instructions, to register on the Guild website Then you will be able to put in your information and services offered, etc.. If you are paying by check we will send you the link when we receive your check. If you don't have access to a computer, please fill out the form attached, mail it with your payment, and we will enter the information for you.

The following page shows an example of what your personal page would look like. It may seem a bit complicated but this website, while still under construction, will give practitioners higher visibility and potential customers more information.

If we do not hear from you we will assume that you do not wish to be listed. We do not want to list practitioners who are **not interested** in working with clients or teaching workshops. If you do not wish to be referred to individuals please mark the appropriate place on the enclosed form.

If paying the fee is a problem right now please send in your form and contact us to arrange a payment plan. I do not want to drop anyone who wants to join the Guild but need you to respond in a timely manner. If you do not wish to join the Guild at this time and/or would like to be taken off the mailing list - please check that option and send it back to me - that way I know that people have not simply forgotten. If you would still like to receive TTEAM Connections newsletter there is an option on the form to just get the newsletter.

If not registering online please return form and fee to:
